Dave, Duck Lake

WicksnCandlesticks provides online shopping solutions

Charlotte Chamber of Commerce new member, WicksnCandlesticks.com, is a candle gift basket company with a certification as e-wedding planner to provide wedding planning services. The business was created to fulfill the needs of online shoppers interested in purchasing gifts for brides, grooms, family, friends, or coworkers. Customers can purchase candle gift baskets, candle wedding favors, wedding software, and e-wedding consulting services via the Internet at www.wicksncandlesticks.com.

Online shopping is beneficial because of great online prices and convenience for busy working professionals. Shoppers can find inexpensive candle gift baskets for any occasion such for an anniversary, appreciation, birthday, corporate, bridal, or wedding gift. WicksnCandlesticks has candle gift baskets for any occasion. WicksnCandlesticks.com offers a variety of candle gift baskets with many different price ranges to assist shoppers with any budget.

Another convenience offered to brides and grooms is the e-wedding planning services for weddings. The e-wedding planning services provides continual and unlimited email support for a bride or groom on their wedding day, such services include discussion of wedding planning with

the bride or groom, professional wedding advice for the bride or groom, vendor referrals, bridal forms and timelines, guidance and support throughout your wedding planning process. WicksnCandlesticks has also partnered with Elm software designers of iDo wedding software. The iDo wedding software, the Web-like interface provides quick navigation to any of the 10 main sections: Contacts, Invitations, RSVPs, Attendees, Gifts, Checklist, Budget, Vendors, Events, and Timelines. Build your contact list by entering manually or importing from Microsoft Outlook or a comma delimited file; track invitations, RSVPs, meal selections and gifts; design
